Forecast for Saturday 27 Nov 2021

Weather: Snow or snow showers overnight with blizzard conditions. A very windy and cold day, although it will turn brighter in the afternoon. However, snow showers can be expected, these most frequent and heavy during the morning with temporary blizzard conditions over the tops. Mainly dry and clear in the evening with winds easing.

Chance of cloud free mountain/hill tops above 600m: 30% becoming 80% in the afternoon

Visibility: Poor or very poor in snow or snow showers, but becoming mainly very good and excellent during the afternoon and evening. Extensive cloud over the tops at times overnight and during morning, then little significant cloud during the afternoon and evening, but extensive in and around any showers and temporary lowering back onto the tops.
